Re: U.S. Geological Survey (USGS) Freedom of Information Act (FOIA) Tracking # USGS-2019-00144 – No Records Response

Dear Ms. Best:

This letter is our response to your Freedom of Information Act (FOIA) request, dated May 30, 2019, in which you requested the following records generated between January 1, 2009 and January 1, 2019:

- Internal reports, bulletins, warnings and alerts relating to Anonymous or hacktivism.
- Reports from the appropriate IT (Information Technology) or computer offices regarding possible cyber-attacks by Anonymous or other hacktivists.
- Reports, bulletins, warnings and alerts relating to or mentioning Anonymous or hacktivism sent to or received from any federal law enforcement or intelligence agencies or any fusion center.
- Incident reports investigating possible hacking activity falling within the office's jurisdiction and allegedly carried out by members of Anonymous or other hacktivist groups.
- Materials generated as a result of any suspected or actual compromise, breach or "dox" (revealing of personal or private information) by Anonymous or other hacktivists

After thoroughly searching our files, the U.S. Geological Survey did not locate records responsive to your request. I am responsible for this denial.

On May 30, 2019, we have classified you as a “media” requester; however, the records search did not exceed two hours and we did not locate responsive records. See [43 C.F.R. § 2.49\(a\)\(1\)](#). Therefore, there is no billable fee for the processing of this request.

You may appeal this response to the Department's FOIA/Privacy Act Appeals Officer. If you choose to appeal, the FOIA/Privacy Act Appeals Officer must receive your FOIA appeal **no later than 90 workdays** from the date of this letter. Appeals arriving or delivered after 5 p.m. Eastern Time, Monday through Friday, will be deemed received on the next workday.

**Your appeal must be made in writing.** You may submit your appeal and accompanying materials to the FOIA/Privacy Act Appeals Officer by mail, courier service, fax, or email. All communications concerning your appeal should be clearly marked with the words: "FREEDOM OF INFORMATION APPEAL." You must include an explanation of why you believe the USGS's response is in error. You must also include with your appeal copies of all correspondence between you and USGS concerning your FOIA request, including your original FOIA request and USGS's response. Failure to include with your appeal all correspondence between you and USGS will result in the Department's rejection of your appeal, unless the FOIA/Privacy Act Appeals Officer determines (in the FOIA/Privacy Act Appeals Officer's sole discretion) that good cause exists to accept the defective appeal.

Please include your name and daytime telephone number (or the name and telephone number of an appropriate contact), email address and fax number (if available) in case the FOIA/Privacy Act Appeals Officer needs additional information or clarification of your appeal.
